### Segment reporting

#### (i) Operating segments

For internal reporting and risk management purposes, the Consolidated Entity is divided into six operating groups, one operating division and a corporate group. These segments have been set up based on the different core products and services offered.

Since 31 March 2010, there have been the following restructures of operating groups and divisions:

- Macquarie Infrastructure and Real Assets (formerly Macquarie Capital Funds) – this division of Macquarie Capital was transferred to Macquarie Funds Group.
- Real Estate Structured Finance – this division of Real Estate Banking Division was transferred to Corporate and Asset Finance.

All restructures are effective from 1 April 2010. Segment information has been prepared in conformity with the Consolidated Entity's segment accounting policy. In accordance with AASB 8 *Operating Segments*, comparative information has been restated to reflect current reportable operating segments.

**Macquarie Securities Group** activities include institutional and retail derivatives, structured equity finance, arbitrage trading, synthetic products, capital management, collateral management and securities borrowing and lending. It is a full-service institutional cash equities broker in the Asia Pacific region and South Africa, and offers specialised services in other regions. It also provides an equity capital markets service through a joint venture with Macquarie Capital Advisers.

**Macquarie Capital** comprises the Consolidated Entity's corporate advisory, equity underwriting and debt structuring and distribution businesses, private equity placements and principal products.

**Macquarie Funds Group** is the Consolidated Entity's funds management business. It is a full-service asset manager, offering a diverse range of capabilities and products including investment management, infrastructure and real asset management and fund and equity based structured products.

**Fixed Income, Currencies and Commodities** provides a variety of trading, research, sales and financing services across the globe with an underlying specialisation in interest rate, commodity or foreign exchange related institutional trading, marketing, lending, clearing or platform provision.

**Corporate and Asset Finance** is the lending and leasing business of the Consolidated Entity.

**Banking and Financial Services Group** is the primary relationship manager for the Consolidated Entity's retail client base. The group brings together the retail banking and financial services businesses providing a diverse range of wealth management products and services to financial advisers, stockbrokers, mortgage brokers, professional service industries and the end consumer.

**Real Estate Banking Division** activities include real estate investment, development management and asset management.

**Corporate** includes Group Treasury, head office and central support functions. Costs within Corporate include unallocated head office costs, employment related costs, earnings on capital, non-trading derivative volatility, income tax expense and certain expenses attributable to NCI. Corporate is not considered an operating group.

Any transfers between segments are determined on an arm's length basis and eliminate on consolidation.
